Confirmation with the Bishop at Visitation

Dear Candidates, Parents and Sponsors,

The past few months have defiantly been unusual, and we begin a new year finding new normal and ways to connect in this time of Covid- 19. No one raises children expecting to guide them through a pandemic, yet here we are. There is not one set of easy rules for all except to find the great lessons in the unusual, lean against our faith, and share in the beautiful prayer traditions that connect us to our loving God.

Some of us still have not been back to mass or able to resume our so- called normal lives. Yet we yearn to be with each other and celebrate the sacraments and share the stories of our faith with each other and especially our children. Now is a beautiful time to pull from our traditions and talk about what being Catholic means to each of us. How do we love, grow, and serve each other? Where do you see your faith in action?

Confirmation is a steppingstone in our faith journey that brings us more fully into our baptismal call. During this time of uncertainty, pull from your baptismal call and let the power of the Holy Spirit fill your homes with love and most certainly your own heart.

This year will be year full of Zooms for confirmation and I will do my best to make them meaningful and thought provoking. In the meantime, Candidates be thinking about what it means to you to be an active member in Christs body of the church as a Catholic Christian?

Once everyone is registered, I will share the Zoom link. Registration deadline is Oct. 5th. Keep the above schedule for your reference.

Make today a beautiful prayer,
Chris Sanders, Pastoral Associate
753-5155 ext. 1309 or chris@church.visitation.org
